# SENIOR ADVISORY COUNCIL

The Senior Advisory Council is composed of the Senior Class Officers and a representative from each Senior homeroom.

From this council, all Senior activities are planned, as our Senior Promenade, Bond Drive, Amateur Show, Senior Class Play and our Senior Reception.

Last fall a tree planted by the class of 1941 was blown down during the hurricane. We planned fitting exercises on Arbor Day and planted a tree to commemorate the boys in service from that class.

During the latter part of the winter we decided to have a Senior Class Play. A committee was appointed and after several weeks of reading plays "Lightnin'" was chosen for our play.

Our exceptional Class Day and well attended reception were fitting proof that the Advisory Council had worked hard to make our Senior Class activities a success.

The Senior Advisory Council worked under the able guidance of both Miss Katherine L. Baker and Mr. Eric Harrison.

Members: Steven Astulfi, Weston D. Baxter, Laurel M. Bethe, Audrey L. Church, Charles A. DiMare, Annette R. Gaeta, Sylvia Guild, Walter H. Kühlen, Jane Lovering, Joyce D. Marsh, Edward J. McLaughlin, Joseph F. O'Brien, William T. Quinn, Richard W. Rourke, Albert H. Thomann, Joanne Williams.

## OUR THREE YEARS

### *The Sophomore Year*

Remember when we were sophomores? Remember, as we neared the portals of the red brick, ivy-clothed building, how we felt that something great was about to happen to us? It did! We were initiated into a three year membership as students of the Medford High School. Every hidden hallway, secret cell, and complex cross-over of the building would gradually be revealed to us.

Remember beginning our eventful journey through the halls of learning on that rainy September day, armed to the teeth with our trusty handbooks? Trembling with anticipation we scurried about like scared rabbits, with a painful sense of our insignificance.

Remember when we held our class elections after those first few weeks of "boot camp", and prided ourselves on our own president Richard Dello Russo, vice president Phyllis Young, secretary Jean Rice, and treasurer Arthur Miles. We were no longer sophomores. We were Medford High School sophomores.

Remember how we made and broke records that year? In sports we contributed several fine athletes to the teams; Pete Gerardi, Joe Gatti, Jess D'Errico entered the social ranks, and Jerry Brennon started on his great hockey career.

Remember the fine talent which blossomed forth from our class that year? We were well represented in Mr. Schoonmaker's Follies of 1943 by Paul McDevitt, Stanly Zorakov, Marjorie Buck, Billy O'Brien, and Beatrice Kay in the person of Jeanne McNulty. Many of us also took part in the Spring Music Festival, which was an acclaimed success.

Remember the fine patriotic spirit our class showed that third year of the war? Uncle Sam asked for scrap metal, and we gave it; everything from Mother's frypan to sister's nail-file. Then we held our great bond drive with a goal of \$2000. Although we held no assemblies or rallies we topped our goal and reached the total of \$2600. Because 70% of the students of the school bought war stamps the government awarded us the proud Minute Man Flag. We look back to that December day when it was solemnly raised on our flagpole. We were cold—but impressed. That year our bond and stamp sales amounted to \$19,096, enabling us to purchase for the army twelve jeeps and a scout car.

Remember the important wartime changes which affected us? We formed the Junior Victory Corps to become more active in the war effort. The Medford High School Battalion was organized to give our boys preliminary military training, and pre-induction courses were held at the vocational school to prepare them in mechanical fields. The G. A. A. offered a complete first aid course to the girls, and a few afternoons a week they also rolled bandages for the Red Cross. Then we could never forget that whole glorious month of February when the school doors were closed for fuel rationing!

Remember how reluctantly we said goodbye to Joe Gatti who entered the Army Air Corps? He was the first of others soon to be called to serve their country.

Remember? Yes, we remember and we are proud of that brilliant sophomore year, for we finished it with the keen satisfaction of a job well done.

Junior Officers

# *The Junior Year*

On a beautiful fall day in early September of '43, we once again passed through the stately portals of M. H. S.—not as bewildered newcomers, but as veterans of a former campaign. We were now coming into our own as members in good standing, eager to see that the incoming sophomores were as completely baffled as we had been the year before. It was great fun now that the shoe was on the other foot—sending sophs scurrying for the elevator, or directing them to the fourth floor. Soon all fun was over, and we settled down to a year of hard work.

By October, however, football fever gripped the school, and we were mighty proud of our Pete Gerardi.

In November after a miniature political campaign, we elected Walter Kuhlen president, Virginia Reynolds vice-president, Marie Foresteire secretary, and Arthur Gale treasurer.

Incidentally, at about this time the boys began to show signs of various wounds acquired in mass basketball, or as it was more commonly known—mass slaughter. Yes, Mr. Stillman, that was a great conditioner!

Soon after, calls were issued for track, hockey, and basketball candidates, and we looked forward to a successful winter sport's season. The teams proved worthy of our optimism, the hockey team emerging as a champion and the basketball team reaching the semifinals of the Tech Tourney.

In the latter part of the winter, we held a highly successful dance, admission to which was the purchase of war stamps, credit for which went toward the purchase of a P-51 Mustang fighter. The highlight of the evening was a vocal rendition a la Sinatra by Dick ("Frankie") Janaro. Ohhh!! This season also marked a successful Junior Prom and the first Battalion Dance.

With spring came baseball and a near-championship team which boasted of a fine first baseman in our own Ed Coppinger.

On the first Saturday in June, the Battalion held its annual field day at Playstead Park. Karl Barnard and Arthur Miles were winners of the individual competition, and Company C received top honors in the prize drill.

About this time the most important assembly of the year was held, at which the school presented a P-51 Mustang to the Army Air Corps.

A few days later, on June 6, came the news of the allied invasion of France. At ten o'clock all work in the school was interrupted for a moment of silent prayer, and during the rest of the day we listened to the latest news on radios hastily set up in the various rooms.

Then, at last it came, the event that we had long been awaiting—the summer vacation.

# *The Senior Year*

Came the Senior year, and looking about us, we found many familiar faces missing from our ranks. Already there was one who would never return, John Bernadinelli. But in spite of our diminished number, we looked forward to what should be our biggest year.

First on the agenda came the class elections, for which male candidates were sadly lacking. This dearth of political masculinity, however, was balanced by the flood of female aspirants. Finally, crossing our fingers and hoping for the best, we elected James Fitzgerald president, Alice Fergus vice president, Norma Shannon secretary, and Richard Curtis treasurer.

During the fall we fixed our attention on the football team. Although the players started in low gear, they improved rapidly under the capable direction of Coach Pidgeon, and the season was brought to a glorious conclusion when an underdog, Mustang eleven outclassed a highly-rated Malden club by holding it to a scoreless tie!!

In early December the Senior Prom was held in the high school gym. The Prom Committee acquired the services of a well-known, local band, the music of which contributed to a very enjoyable evening.

Before we knew it, the Christmas season was upon us, and we were serenaded by the Glee Club and the French Troupe.

After our only-too-short vacation, winter sports came into the limelight. Under a new coach, Mr. Gurney, the basketball team enjoyed a fairly successful season, highlighted by the play of Jess D'Errico. Coached by Mr. Prior, the hockey team, with Charley McNair and Jerry Brennan leading the way, nearly captured the championship. Mr. Hormel's track team, paced by high-scoring Jimmy Gallo and Armon Furey, placed second in the state meet.

With the coming of spring our thoughts turned towards the out-of-doors and naturally to baseball. Two outstanding members of the team were Ed Coppinger and John Murray.

During the year many interesting assemblies were held, notable among these being the band assembly and the one at which a Persian woman spoke to us and exhibited examples of Persian arts and crafts. In a very impressive ceremony, an Honor Roll was presented to the school by the student body. This plaque, on which are inscribed the names of those from Medford High School who gave their lives in the Second World War, was afterwards placed in the school library. Contributing to the solemnity of the occasion were several hymns sung by the Boys' and Girls' Glee Clubs, a vocal setting of the *Lord's Prayer*, and a poem by Archibald MacLeish.

The last week in May witnessed the end of our high school days. The Senior Reception on the night of the twenty-third, followed by Class Day on the morning of the twenty-fourth, and Graduation on the night of the twenty-fifth brought to a happy conclusion our three years' stay at M. H. S.

# THE FRENCH TROUPE

The French Troupe with Miss Loftus as adviser and Richard Janaro, Catherine Repetto, and Regina Lanigan as co-chairmen has organized a highly interesting program, consisting of short comedies, solo recitations, and choral groups, with which it plans to carry on the traditions of its predecessors. Several of the members have collaborated on an original comedy; Richard Janaro and Glenna McTeague on several songs. At Christmastime the French Troupe entertained the faculty and students throughout the school with the singing of French carols and folksongs and plan to do so again at Easter. Regina Lanigan accompanied the group on her accordion and Richard Janaro directed. The aims of the French Troupe are to bring entertainment and enjoyment to those who are familiar with the language and to give its members a practical use of it.

During the year 1944-1945 the Protective Department has been in charge of the corridors during the recess period.

The department members under the supervision of captains, Helen Cremen and Esther Campbell, and with Mr. Edwin F. Pidgeon as faculty adviser, conscientiously carried out their duties by enforcing school rules.

## THE PROTECTIVE DEPARTMENT

# THE TECH CLUB

In its sixth year of organization the largest boys' club in the school has enjoyed a banner year. Business meetings have been held periodically throughout the school year, and much valuable technical knowledge has been gained by the members through the medium of motion pictures and lectures.

A personally conducted tour of the broadcasting studios of WNAC by Mr. Rogers, the club adviser, was the highlight of the year. The club ended its activities for the year with its annual banquet in May.

## THE ITALIAN CLUB

The Italian Club was reorganized this year with Miss Bruno as adviser and the following officers: Aldo Ungaretti, president; Louise Cram, vice president; Ada Fondacaro, secretary. Activities are in the charge of the committee chairmen: Peter Gerardi, entertainment; Josephine Spirito, art; and Ann Crecco, music.

The purpose of the Italian Club is to further the study of Italian language, literature, art, and music. These aims are being achieved by a thoroughly enjoyable program. Thus far, we have had a Christmas party in the Italian tradition, with delicious Italian refreshments, and a trip to the Museum of Fine Arts, where we were able to observe and study many artistic masterpieces. Our plans for the future include attending a performance of "Il Barbiere di Siviglia" by the Metropolitan Opera Company on April 11, and a party to celebrate the season of "Carnevale" before Easter. Along with our social and cultural activities, we have accomplished a most worthy charitable aim by donating many bundles for Italian War Relief.

# BUSINESS GIRLS' CLUB

The Business Girls' Club of the Medford High School, composed of fifty girls enrolled in the business courses, has had an interesting and profitable year. The purpose of the club is to foster friendship among girls with vocational interests and to provide an opportunity for contact between school and the business world.

The officers of the club are the following:

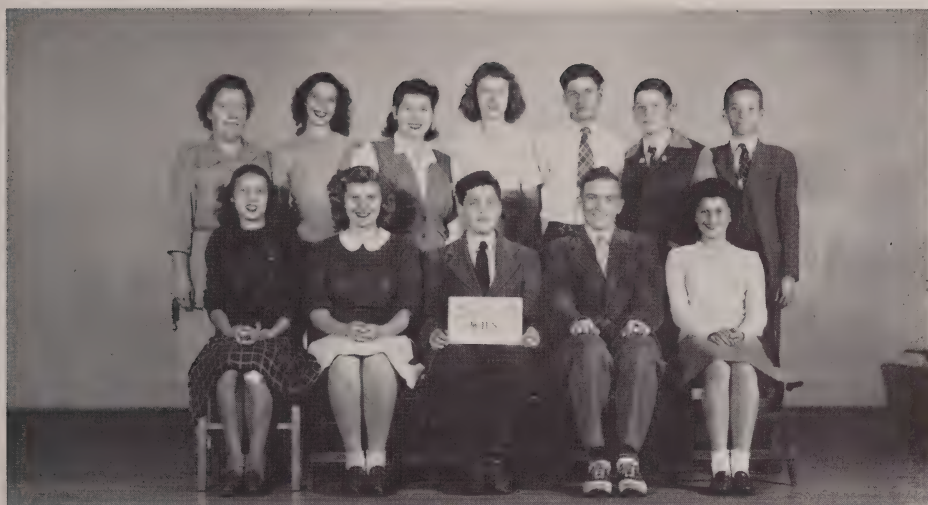

<i>President</i>	Norma Leddy
<i>Vice President</i>	Alma Bogrette
<i>Recording Secretary</i>	Virginia Martel
<i>Treasurer</i>	Barbara MacMillan
<i>Corresponding Secretary</i>	Ruth Ahern

*Advisers:*

Miss Hubbard and Miss MacBrayne

and under their leadership many worthwhile meetings have been held. At the installation of officers, each member was presented with the emblems of the club and admonished that character, symbolized by the rose, must accompany vocational training, symbolized by the pencil, in order to assure a happy and successful life. Other meetings of interest include: a talk by Mrs. Katherine Dunbar, Director of the Katherine Gibbs School on *Manners and Dress in Business*; a description of the Cooperative Store Training Course and Co-ordinated store experience, presented by five members of the Store Training class; a question and answer meeting at which anonymous questions pertaining largely to conduct in business were discussed; a picnic; a roller skating party; and a theatre party to *The Barretts of Wimpole Street*, featuring Katharine Cornell.

## STAMP CLUB

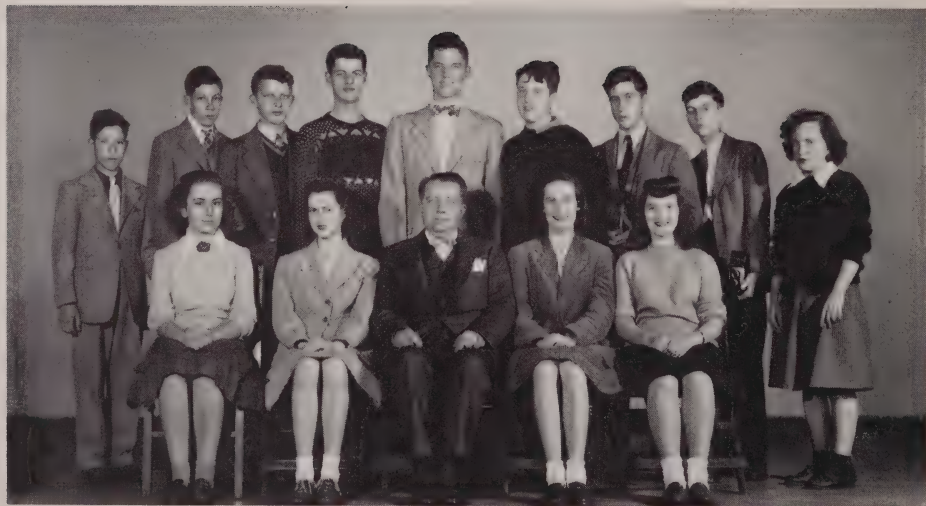

The purpose of the Stamp Club, which was organized in 1934, is to further the activities of Medford High School philatelists. Throughout the year the club enjoyed many interesting stamp stories, quizzes, discussions, lectures, and "swaps". A club collection of United States stamps has been started, and is growing rapidly. A very colorful stamp exhibit was on display in the library during January. This club has done much to promote fellowship and interest between stamp collectors in Medford High School.

# CAMERA CLUB

Early in October of 1944, a group of some twenty camera enthusiasts met to resume activities of the Camera Club, now in its eighth year of existence. They voted to meet twice a month and elected as their president energetic Paul Skerry, and efficient Mary O'Brien as secretary.

Because of the war photographic materials are at a premium, and this condition has necessarily curtailed the activities of what is usually a very progressive group. The meetings this year have therefore been limited to animated discussions of types of cameras, elements of photography and a display of past performances with the ever-present camera.

The club looks forward to the day when supplies will once more be available so that its dark-room, now half completed, will be furnished and available for the use of club members.

## THE HOBBY CLUB

The regular day for the Hobby Club is Wednesday, but the Crafts Room is open to members everyday after school, and in spare periods as well. A great variety of work has been done, including jewelry, clay modeling, oil painting, and wood carving. They are planning to have a St. Patrick's Day celebration, with fun and "eats". The club members have helped their class mates in making table decorations to be used by the Junior Red Cross.

# THE ART CLUB

The Senior-Junior Art Club meets on the fourth Thursday of each month. They have had a Valentine Party, with entertainment by magicians, stunts, and refreshments. A very large chocolate cake with thick frosting, studded artistically with nutmeats, was the piece de resistance. It was made by the club president, which goes to show that an artist can be proficient with materials other than paper and paint. The refreshment table was decorated by club members, to resemble a valentine and the paper napkins had hand painted roses and hearts to make them gay.

The club plans to contribute towards a box of food for a war prisoner in Germany.

*President* . . . . Dolores Girouard  
*Vice President* . . . . Jean Tobey  
*Secretary* . . . . Alberta Goodman  
*Treasurer* . . . . Norma Shannon

# HOME ECONOMICS CLUB

The main aim of the club is to serve. The girls aided in Red Cross canteen work and filled their quota of sewing for the Red Cross. They gave much help in the sorting of clothing for the United War Relief. The members of the club also made field trips to various hospitals, which stimulated their interest in nurse's training.

# SKI CLUB

The Ski Club was formed for pupils interested in skiing. This year thirty of our fifty members spent a weekend at North Conway, New Hampshire where ideal skiing weather was enjoyed by all.

Mr. Pidgeon was our advisor as well as our chaperon and Laurel Bethe was our president.

Skiing has become very popular among the pupils and greater accomplishments are expected in years to come.

# M. H. S. GIRLS' CLUB

*President* . . . . . Betty Crowley  
*Vice President* . . . . . Alice Fergus  
*Recording Secretary* . . . . . Laurel Bethe  
*Corresponding Secretary* . . . . . Sylvia Guild  
*Treasurer* . . . . . Barbara Polsey  
*Faculty Advisers:*

Miss Mildred Junkins and Mrs. Mary Bagley

Throughout the many years since its founding, the Medford High School Girls' Club has maintained its high ideals of friendship, service, and companionship. The Club provides an opportunity for the girls to gather together in a friendly atmosphere and become better acquainted with their fellow students.

The activities of the Club have been numerous this year. The highlights of the season were: a lively Halloween party; a trip to the Plymouth Theatre to see *Arsenic and Old Lace*; the annual Christmas party; and an interesting visit to the Acedemie Moderne. The girls also gave a Mother's Tea at which they held a beautiful induction service for two new members.

# BAND

The Medford High School Band, under the leadership of Mr. Ralph I. Schoonmaker, continued to live up to the high standards set by previous bands. As in the past, the band played at the football games in the fall, giving a superb exhibition of a well trained organization. It made a striking appearance in the traditional blue and gold uniforms. In addition, the band played at several football rallies, assemblies, and concerts. The outstanding event of the year in which the band featured was the Spring Revue.

The orchestra, under the expert direction of Mr. Ralph I. Schoonmaker, has once again proved to be an outstanding organization. The orchestra demonstrated the effects of intensive training at several school and civic functions. The members, who have rehearsed every week, display an excellent spirit. They work with untiring vigor day after day. This year's orchestra has set an example for others to follow. The string section of the orchestra had a prominent part in the Spring Revue.

The Co-operative Store Training Class has enrolled in its membership this year a group of twenty-one young students who are specializing in Retailing.

The course is conducted upon a co-ordinated plan whereby the student receives instructions for part of the day, and the rest of the day is devoted to actual experience on the job. The students are employed by the large department stores in Boston, Malden, and Cambridge under trained personnel. The students are supervised by a teacher-co-ordinator, Mary Isabelle McKay, who not only teaches the subjects related to retailing directly but also supervises the students while working.

The subjects taught are many and varied; some subjects are studied daily while others are studied once a week. In the curriculum is included such subjects as—Fashion, Color, Line and Design, Textiles, Retail Selling, Advertising, Marketing, Window Display, English, Arithmetic, Good Grooming, and Hygiene.

The students this year were selected to send some of their projects to New York to the booth devoted to Distribution Education that was featured at the National Retail Dry Goods Association Convention held there during January. The projects done by the class were highly praised by both the State Director and by the United States Office of Education.

## LIBRARY STAFF

*Dorothy L. Hardy, Librarian*

The girls working at the desk and behind the scenes in the library help to keep it running smoothly and efficiently. They work before and after school and during their study periods. Goodwill toward the library is made at the desk, and our staff is always ready to serve.

# VOCATIONAL SCHOOL

It is the aim of the Vocational School to fit boys for useful employment through the development of the occupational skill required for the performance of satisfactory work under actual employment conditions in the following trades: automobile, cabinet making, electricity, machine shop, painting and decorating, printing, and sheet metal.

One half of the time is devoted to actual shop work and the other half to related and academic work. The laboratory method of instruction which is used in the related classes is very closely correlated with the shop work. This close tie-up assures a thorough training in shop and technical information.

The school attempts to prepare the boy morally, intellectually, and physically for the vocation for which he seems to be best fitted by nature, ability, and opportunity; at the completion of his course the school places the student in the industry trained for, keeps in touch with his progress, and encourages his promotion.

# CLASS DAY

As we are about to pass on to the eager undergraduates the responsibility we shared as Seniors, let us recall another Class Day in which we participated, that of 1944. From the Junior Class were chosen Marshals and Ushers to add beauty and color to the all important graduating exercise of the Seniors.

The Marshals, attractively costumed in long picturesque gowns of billowing taffeta inspired many sighs of admiration from the spectators. On the stage the girls dressed in pastel shades of helio, powder blue, peach, rose, and royal blue made a lovely frame for the speakers. Surely, they were a charming addition to the festive occasion.

During this time the Ushers for the most part, clad in the usual white flannels and dark jackets, stationed at all the entrances, were in charge of greeting the parents, seating them, and distribut-

ing programs.

At the close of the ceremonies in the hall, preceded by the band, the girls had the privilege of leading the class from the auditorium to the lawn where the traditional exercises were held. Proudly and yet with not a little awe, they listened to the impressive ivy oration and prophesy. With this fitting close, another class left the wide portals of Medford High passing on new responsibility to us, the next Senior Class.

# OUR JUNIOR BOND DRIVE

Inspired by the success of the Seniors in appropriating six thousand dollars in their November bond drive, we as Juniors aspired to reach an even greater total—ten thousand dollars! Therefore, on the morning of January 17, 1944, we presented to our class a bond drive extravaganza which none of us will forget for a long while. The teachers were amazed; the students delighted. Never before had Medford High seen such an original assembly; for, through the untiring efforts of Miss Hall, our drive surpassed all previous and (we hope) all future drives.

Departing from the customary auction plan, we chose several talented members of our class to appear as well-known celebrities who had come for the "great occasion." Certainly we never expected to see at M. H. S. such famous personalities as Katharine Hepburn, Lou Costello, Mortimer Snerd, Judy Canova, Rosie the Riveter, Pistol Packin' Mama, and—yes—Frank Sinatra!

Class President Walter Kuhlen and Treasurer Arthur Gale, presiding as masters of ceremonies, opened the proceedings and introduced the guest stars. Jeanne McNulty as La Hepburn was delightfully convincing; Richard Rourke as Costello and Arthur Waterson as Mortimer were hilarious; Class Vice-President Virginia Reynolds really "sent" the audience with her uproarious impersonation of Judy Canova; Secretary Marie Foresteire as Rosie and Patricia McCormack as that pistol-packin' gal were dil-eyeful performers; and that Sinatra done by Richard Janaro caused an uproar from our bobby-sock fans that must have been heard in Medford Square.

Yet, throughout the festivities were constant reminders that it was our patriotic responsibility to buy war bonds and stamps. In the vocal department, the Stamp Brothers (William Quinn, James Cassani) and the Bond Sisters (Joanne Williams, Charlotte Devereux, Audrey D'Orsay) were on hand for that purpose. Sinatra, too, informed the audience that he was going to buy a paper bond that he could call his own. The class responded rewardingly for our efforts. Our bond sales totaled thirteen thousand dollars!

## *The Senior Prom*

As we turn back the pages of time to a memorable night in our school career, happy thoughts of our Senior Prom, held on December 1, 1944, dance through our minds. Restlessness and excitement ran gamut through the school. Whispered murmurings, and last-minute preparations, all added to the keen sense of anticipation.

Of all the gala events, we feel we are not prejudiced in saying that our prom certainly was one of the most festive and most prominent events of our Senior year. Proof of this was the many flashing smiles, and the apparent enjoyment shared by everyone who attended it.

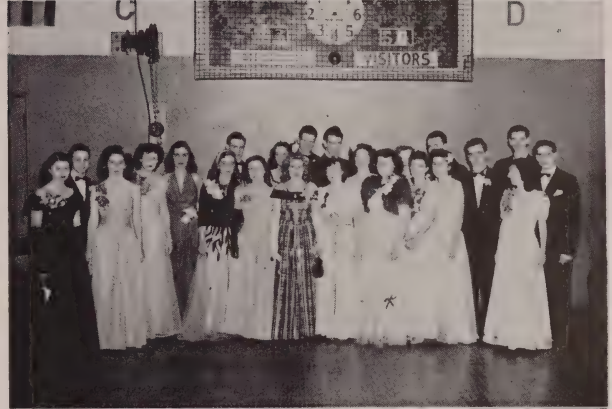

This occasion will long be remembered as a success, because of the energetic Prom Committee: Elizabeth N. Crowley, Claire E. Eremian, Marie C. Fitzgerald, Jean Muzzey, Jeanne M. McNulty, Edward W. Robinson, Arthur St. Onge, and Howard A. Webber.

Gaily colored lights added to the effect of palm trees and ivy placed attractively about the gymnasium. With this as an appropriate background, the happily dancing throng, consisting of girls resplendent in stunning gowns, and fellows looking very debonair in their traditional smartly cut tuxedos, danced past.

Welcoming the guests were the patrons and patronesses who were Mr. and Mrs. Ralph L. Kendall, Mr. and Mrs. Melvin V. Weldon, Miss Katherine L. Baker, Miss Irene M. Hall, Mr. and Mrs. Eric Harrison, Mr. and Mrs. M. Arthur Noble, Mr. Edwin F. Pidgeon of the faculty.

The highlight of the evening was the eagerly awaited Grand March. Thrilled by the stirring music, the couples joined in ranks of four, eight, sixteen until, finally, thirty-two abreast, they paraded in picturesque fashion down the gymnasium.

So it is, that the Prom of '45 achieved new heights of success which all future classes will have to strive earnestly to surpass.

# THE DROFDEM SROINES

When we became Seniors, we felt that our class no longer needed strong urging to buy war bonds. Instead of conducting a conventional bond drive in November, we presented a musical production designed as entertainment and as a friendly reminder that the war was still going on and that our responsibilities had not lessened. Advance publicity for our extravaganza known as "The Drofдем Sroines" (Medford Seniors spelled backwards) built up an air of mystery and expectancy. Admission was through the purchase of ten-cent war stamps of which we were soon sold out. The date was set at November 15, 1944, and the production, though planned only one week before the date of presentation, was

ready on time through the zealous efforts of Miss Baker and the Committee, composed of: Richard Janaro, Chairman; Jeanne McNulty; Richard Rourke; Marie Foresteire; Frank Silvestro; Barbara Halmkin; Gertrude Tallcott; and Robert Alward. Valuable ideas were contributed also by Class Vice-President Alice Fergus and Treasurer Richard Curtis.

Therefore, on November 15, a group of nervous, but highly enthusiastic, young people presented a refreshingly original and hilarious revue. For music we provided The Swingsters, a swing band composed of members of our class; and for entertainment, we offered: Norma Shannon as Mistress of Ceremonies; William Quinn and Richard Janaro as Modern Morons; Patricia McCormack as an alluring night club singer; Jeanne McNulty as poker-faced Virginia O'Brien; Robert Conary with his Xylophone; Salvatore Gizzi as a swooner-crooner; Richard Rourke as President Roosevelt; Class President James Fitzgerald and Marie Foresteire enacting the characters of "The Trolley Song"; Barbara Trask as pianist; and, of course, that riotous finale!

We chose the most attractive girl from each home room to compete for the title of Medford High's Miss Co-Ed. The lucky winner was "Miss Howard Webber."

Despite the fact that we conducted no special drive throughout the Senior homerooms, we still inspired a four thousand dollar bond sale!

## *Mr. Kendall's Retirement*

This year the school will lose the man who has guided it so capably through several years. Mr. Kendall has been an inspiration to and a steady-influence on us all. In his duties as Headmaster, he has ever placed the interests of the students first and has been fair and just in any situation that has arisen. His leaving will deprive the school of a fine leader. Our best wishes, Mr. Kendall, follow you wherever you may go!

# FOOTBALL

Sept. 30, 1944

Medford 28 — Wakefield 13

A fighting Medford team outran, outplayed, and outpassed a plucky Wakefield eleven 28 to 13 at Gillis Memorial Stadium. The game was nip and tuck all the way with first Medford scoring and then Wakefield until Medford rose up to score the two winning touchdowns. The game was featured by the long runs of Ronnie MacDonald and the passing of Captain Pete Gerardi.

Sept. 23, 1944

Melrose 7 — Medford 0

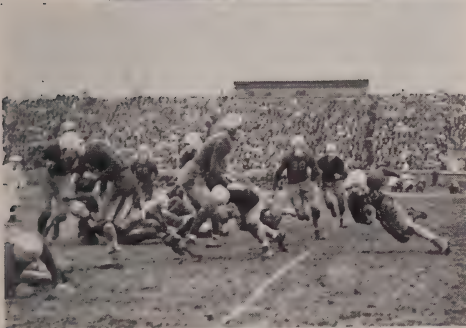

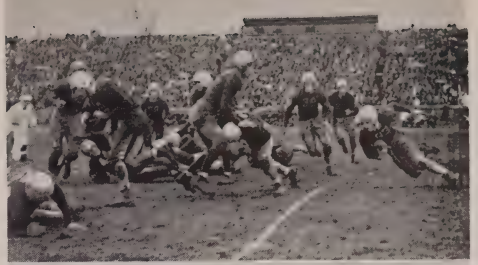

On this chilly and sunshiny day a determined but inexperienced Mustang eleven lost its opening game to a veteran Melrose team. Throughout the first half the green Medford team with Co-Captain Pete Gerardi, as the only returning veteran, was completely outclassed by the superior Melrose team. The second half changed as the team sparked by Gerardi's leadership, came back to fight and almost to win. In this game Bernie Holgerson, Red Murray, and the remainder of the first team showed that they had the making of a typical Medford Eleven.

Oct. 7, 1944

Medford 14 — Brockton 12

Coming from behind twice to score two touchdowns, an underdog Medford team edged a heavy and highly favored Brockton eleven 14-12. Although the winning points were accounted to a technical safety, Medford showed a determined Spirit and never let up. The first Medford touchdown was scored by Captain Pete Gerardi on a well executed quarterback sneak. In the last period with minutes to play, Bill Fogarty plunged over for the winning touchdown and gave the Blue and White its second victory of the year.

# FOOTBALL

Nov. 4, 1944

Newton 24 — Medford 0

Once again the Medford team met a stronger rival in Newton High. As Medford ran the ball back on the first play, it could be seen that Newton, being a much stronger team, would be the victor. The Mustangs fought very stubbornly, but finally they fell down beneath Newton's strong attack and the final score was Newton 24, Medford 0.

Oct. 12, 1944

Somerville 19 — Medford 7

After 30 years of defeats and ties with Medford, a completely superior Somerville team defeated a fighting Medford team. Somerville really earned and had to fight for every inch of ground that it gained. The game was featured by the desperate attempt of passing by Gerardi which gained very little ground but gave the fans much to cheer about. In the closing minute of play, little John Cannava received a pass from Bill Fogarty and fifty yards for Medford's only consolation touchdown.

Oct. 22, 1944

Everett 12 — Medford 0

With the smallest crowd ever to attend this annual classic, a clever Everett High eleven defeated an injury riddled Medford eleven 12-0. Everett scored twice in the second period on cleverly executed plays. The featured parts of this game from a Medford standpoint was the stellar lineplay of Jim Roach and Frank DeCicco in stopping many Everett plays.

Nov. 18, 1944

Arlington 33 — Medford 19

On a very cold fall day a gallant Medford team journeyed to Arlington to meet Arlington High. As the game progressed, one could see it was going to be a wide open game. The lead changed many times until Arlington finally pulled ahead. The closing score was Arlington 33, Medford 19. The great backfield work of Ed Coppinger and Bill Fogarty gave the Medford fans an opportunity to brag loudly.

Nov. 23, 1944

Medford 0 — Malden 0

Medford High School's gallant team looked much more like a contender for the state championship than did the heavily favored Malden team. Receiving the opening kick-off, Medford went right out to prove that it would be a hard team to beat. The teams sawed back and forth until late in the second period when Frank De Cicco picked up a fumble and raced to the 16-yard line where he was caught from behind by a Malden back. Medford advanced right to the one half

yard line where it was stopped by the Malden team as the half ended. With the exception of a desperation drive in the final period by Malden, the Medford team completely dominated the play throughout the entire game, with Malden never passing Medford's thirty yard line. Due credit must be given to the fine coaching of Mr. Pigeon which kept up the spirit of the boys when the going was rough until they proved they were worthy in this moral victory.

As this book goes to press the baseball team is just beginning its 1945 season. The present Medford team, who are the defending champions of the Greater Boston League, will have to build their team around the only returning veterans, Co-Captain Ed Coppinger, Co-Captain John Murray, and Arthur D'Errico. There are also many other boys who were on the team last year who will help to build a strong team. The following boys were either on the squad last year or show great possibilities in making the team this year.

# TRACK

The indoor track team had a very successful season this year. Lead on by Jim Gallo, Armand furey, and Sal Affanato, the team lost only one duel meet to a strong Newton team. One of these duel meet victories was over our rival, Malden. A bare half point gave Newton the victory in a close Northeastern Interscholastic meet, which found Medford runners well represented in the win and place spots. In the annual State Meet the individual championship in the broad jump was taken for the third straight year by Jim Gallo, in the 300 by hard fighting Sal Affanato, and in the 600 by Armand Furey. Places in the shot put and hurdles were won respectively by Frank Scally and Jim Gallo. These outstanding performances, however, were not enough and the team took second place.

Despite the loss of several of its members the team is ready for an even better outdoor season.

# SOCCER

The Blue and White "Booters" enjoyed another fine season, winning the Greater Boston Interscholastic Soccer League for the fourth consecutive year.

Captain Arthur D'Errico ably led his teammates to a season's record of ten wins, one tie and three defeats.

The Mustang's rolled up 51 goals to their opponents' 16.

Medford lost to Andover Academy 2-1 at Andover, Mass., in one of the best played games of the year. The other two defeats were inflicted by the Harvard College varsity team.

Highlights of the season were victories over Exeter Academy, Milton Academy and Governor Dummer Academy.

A squad of 45 boys worked hard with Coach Stillman to give Medford a well-balanced soccer team.

Of the twenty-three lettermen, sixteen will be lost through graduation.

and ready smile the Staff's task became a pleasure,  
and the Year Book, a success!

## *Honor Parts*

Class Day is a day of recalling old memories and collecting new ones. To help us make that day memorable, we have an admirable selection of students for the honor parts. Phyllis Young will be our Ivy Orator. The class history will be presented by Barbara Trask, Karl Barnard, and Paul Fahey. Laurel Bethe, Mary Coop, Patricia McCormack, and Arthur Gale will prophesy the class future. The oration will be given by Walter Kuhlen.

Unfortunately, because the Yearbook had gone to print before the honor parts were assigned, it was impossible to include the pictures of the Class Day Honor participants.

The Basketball Team, operating under the leadership of two excellent co-captains, Arthur D'Errico and John Cannava, and such fine players as Edward Coppinger, Albert Thoman, and Peter Passatempo, fell short of an invitation to the Tech Tournament by the loss of one game this year.

Although constantly meeting opposition with a decided advantage over them in height, the Blue and White plunged into each contest asking no quarter nor giving any, with the wheel of fortune at times favoring the opponent. Such a spirit enabled them to rise to great heights as shown in their defeat of Newton, the Suburban League Champions. Against a truly great Somerville team, this same spirit continued to prevail. In two thrill-packed contests, the Medford team came within six points of defeating them—Somerville gaining both victories in the last few minutes of play.

To Co-captain Arthur D'Errico goes the honor of being the highest scorer in the Greater Boston League. He amassed a total of 145 points in league competition—an average of  $12\frac{1}{2}$  points a game.

## ARBOR DAY

The first Arbor Day held at Medford High School was on Friday, April 27. The Class of 1941 performed the landscaping as a gift. As a fitting tribute to them we thought it worthy to replace a tree which had been blown down in the hurricane.

The program began with the planting of the tree by the Class Officers. Following this there was an oration on Arbor Day by Phillip Cullen. Mr. Kendall gave a short address to the class. Music rendered by the sextet, was enjoyed throughout the program.

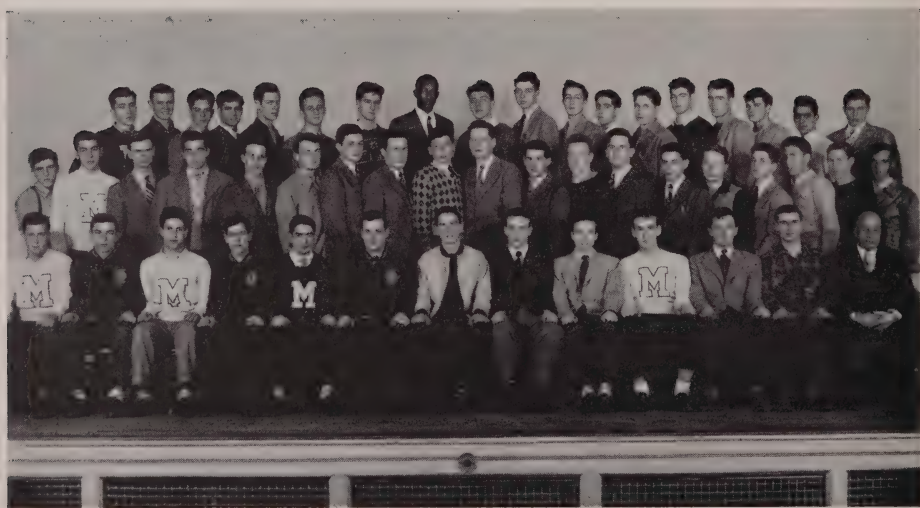

The committee was as follows: *Chairman*, Phillip Cullen; Zoe Sophias, William Callahan.

# VARSIITY M-CLUB

The M Club, composed of all the lettermen in the school, had one of the most interesting years it has had since the club was first organized. Various speakers from professional and college organizations addressed the boys on athletic subjects with which they were most familiar. Meetings were held every month during the school year.

The officers of the club:

<i>President</i>	.	.	.	.	William Fogarty
<i>Vice President</i>	.	.	.	.	Charles McNair
<i>Secretary</i>	.	.	.	.	Albie Thomann

# BOYS' GLEE CLUB

The Vocational Male Chorus consists of boys from the Vocational School who find interest in singing together. This is the first year of this activity and the enrollment is at present seventy-four members. The interest and fine accomplishment speaks well for the short time this group has been organized.

During the past year this group has sung at several assemblies, the Community Carol program, and the High School Spring Revue. It also sang several selections at the assembly in the Auditorium when the honor roll was presented to the school.

The Student Cabinet, because of its type of membership, represents all of the student interests and can act as a "clearing house" for school activities.

Since the war affects the school as well as the pupil, the Student Cabinet has had to concern itself principally with the sale of war bonds and stamps.

Many special drives were conducted and class drives were held each year.

In the Sophomore year we helped to make the "Pearl Harbor Tag Day" a great success. Over \$6500 was raised in one day.

During the Junior year we helped by subscribing \$13,000 to the \$75,000 necessary to purchase the Mustang Plane which we named, "The Medford Mustang."

Rubber Life Rafts were purchased by each homeroom.

In addition many rooms outfitted the rafts with all the equipment necessary to take care of a man while he is adrift on the ocean.

The Student Cabinet also sponsored the drive to raise the Minute Man Treasury Flag.

Student Cabinet has also served as a clearing house for club activities.

# OUR GRADUATION

The graduating class of 1945 has planned a novel and interesting way for the students to take part in the graduation exercises. During the past years, it has been the custom for the class valedictorian and salutatorian to deliver individually long and detailed essays.

This year, however, because of the unusually large number of honor students, seven of the highest ranking class members will participate in a panel discussion, and will be seated as a group on the stage. They will discuss one of the significant subjects of the day. Those taking part will be: Robert Lundin, Virginia Gilmore, Curtis Taggart, Jane Blodgett, Sylvia Guild, Richard Janaro, and Shirly Wheeler.

We hope and expect that this new plan will prove a brilliant success for it will mark the growing influence of youth in the world today.

Graduation has come,  
Another year has passed;  
We leave the halls of Medford High,  
We say good-bye at last.  
Some think back at three long years,  
Spent in a grand old school;  
Where many a teacher has tried their best,  
To teach them the "Golden Rule."  
Some look ahead to the future,  
They are glad to get out and be free.  
They thought of school as a terrible task,  
But some day they'll miss it, you'll see.  
But there are things we all will miss,  
When we are out on our own;  
Some will make us laugh or smile,  
Others will make us groan.  
We'll all miss the bell at 5 minutes of 8,  
And the message it bears with gloom;  
Which tells us to hurry and not lag behind,  
It's time to be in the homeroom.  
We'll all miss the crowds in the lunchroom,  
The hub-bub in the halls;  
And the shaky feeling and knocking knees,  
Whenever the office calls.  
We'll all miss the advice at the Guidance Office,  
And the pushing and shoving mob,  
As Mr. Manley calls our name,  
And sends us out on a job.  
We'll miss the crowd in Mr. Philip's Office,  
For many a morning we went there,  
When we over slept or missed the bus,  
And missed it by a hair,  
We'll miss the little pink cards,  
That come out every once in a while;  
And that shiver and shaky feeling,  
When the teacher walks up the aisle.  
We'll miss the seven period days,  
When sometimes to the hall we'd go;  
We'll miss the rush at 1:30,  
With the eagerness to get out we show.  
Oh, yes, there are many other things,  
That we'll all miss some day  
When we leave old Medford High,  
And wander far away.  
But wherever we graduates happen to roam,  
We will keep within our hearts  
The happy days spent at Medford High,  
That from us can never part.

KATHLEEN DELOREY,

# HOUSE OF DELEGATES

This year, as in previous years, every member in the House of Delegates represented one homeroom. The officers were: President, William Fogarty; Vice President, Sylvia Guild; Secretary, Mary Coop; Treasurer, Paul McDevitt; Faculty Advisers, Mr. Pidgeon and Miss Webber.

In the fall a Junior Red Cross drive was sponsored. It was a complete success as the school contributed to it 100%. Later there was an Infantile Paralysis drive which also was successful. A United Nations clothing collection drive is planned for April. In addition to helping in these separate drives, members sold War Stamps in their own homerooms during the entire year.

The biggest project, however, was the presentation of a plaque in memory of all those from the school who have died in World War II. An appropriate assembly was held and the plaque which contains seventy-five names now hangs in the school library.

The Girls' Athletic Association is opened to all girls interested in athletics and the various activities of the club. The club plans one activity a month after school time. This year all girls' clubs were given four meetings during school time.

The first activity the G. A. A. sponsored was an initiation party for all new members. Miss Chellis of the Bouve Boston School of Physical Education brought her dance group to demonstrate Modern and Country dancing. All the girls in the school were invited by the G. A. A. to this assembly.

A Christmas Party was enjoyed by all, especially when Santa, our own President "Pat", almost lost her pants. Some of our more talented members dramatized the "Christmas Carol."

A talent show was put on by the members of the G. A. A. during one of the assemblies.

The "Merry Widow" was the next activity for the G. A. A. which was attended on a Friday night at the Boston Opera House.

Dr. Walke of Sargent College came to talk to our club on "Leisure Sports" and showed some movies on outdoor activities.

The club plans to have a style show and mothers' tea before closing its busy year with an annual banquet.

# RIDING CLUB

This year the Riding Club tried out a new stable and found it very satisfactory. Every Friday afternoon, weather permitting, the girls went riding at Martin's Stables in Medford. There was instruction for beginners and an hour's ride through the Medford woods for advanced riders. The fall season lasted from September to October and all the girls now look forward to another enjoyable season in the spring.

## GIRLS' BOWLING

The Girls' Bowling Teams of Medford High School consisted of frolic-loving girls who were eager to develop their bowling skill. Every Friday afternoon, under the supervision of Miss Stewart, the girls went bowling. Each girl bowled two strings, and kept her own score. At the end of each session a prize of fifty cents was given to the highest bowler of a single string.

Teams were organized without delay with four girls on a team. To illustrate the joviality of the girls, such names as "Slick Chicks," "Hard-to-Get," and "Bobby Socks" were chosen for the teams. The result of competition among these teams was recorded each week. At the end of the season scores were tallied and a prize given to each girl on the winning team.

The Girls' Bowling Team, in their only tournament, defeated Somerville 8—1. This victory helped to bring the bowling season to a successful close.

# GIRLS' SOFTBALL

The M. H. S. Girls' Softball Team was untied and undefeated in a successful 1944 season.

# GIRLS' FIELD HOCKEY

Field Hockey is comparatively new to Medford High School, this year being the first year the girls have played a full schedule. Malden, Belmont, and Melrose were on Medford's schedule for the first time this year. Captain "Pat" Constantine a Senior, scored the only two goals made this season. The United States Field Hockey Association has a Play Day for all the high schools around this section of the country every year, and next year it is hoped that Medford will be a member of this Association so that the Medford girls will enjoy playing in this Play Day.

# SWIMMING

This year for the first time M. H. S. had a girls' swimming group. Every Monday afternoon during January, February, and March, the fifty members including four senior life savers went swimming for an hour at the Y. W. C. A. pool in Boston. Miss Luce and Miss Stewart both supervised and gave swimming instruction. Mr. Houston, of the Boston Chapter of the American Red Cross, gave a course in senior life saving and taught diving to those who were interested. Since the swimming group has been so successful this year, it is hoped it will continue to be so in years to come.

## GIRLS' GLEE CLUB

The Medford High School Girls' Glee Club under the direction of Mr. Ralph I. Schoonmaker provides an opportunity for musical advancement and enjoyment for students interested in the best types of music.

During the past year the Glee Club has participated in numerous assemblies and presented the annual Christmas Carols in the schools throughout the city.

Classmates, give three cheers for Mr. Pidgeon, our genial football coach and teacher of chemistry, who worked untiringly to have all groups photographed for this book.

# MEMORIES

*We'll always remember . . .*

Bill Fogarty in the Malden game—

The Bird, 307—

The many parties we had at Christmas time and  
on Valentine's day—

The day Miss Starr thought her whole German  
class had walked out on her—

The boy who had to wash the statue on the  
first floor crossover—

The sick dog in Mr. Bates's room—

The lollipops in Miss Lyons's fifth period  
English class—

Lundins' report on *The Green Years*—

The lost pants in the boys' gym—

Fitzie's jokes—

The songs coming from the third floor cross-  
over—

The lines of boys and girls in front of Mr.  
Phillip's office.

## *Afterword*

And now we part, to carry with us always  
these echoes of the past, as we go forth to seek  
and find!
